Match reports:

Women’s State League 1 by Hannah Gravenall

After a tough week of training with terrible weather and tough running sessions with Tim Strapp, the girls were fired up for the game against Altona. However after a slow start, the hawks found themselves 3-0 down in the late stages of the first half, scoring one back just before the half time whistle. After half time the girls were determined to fight their way back into the game during the second half, putting a lot of attacking pressure on Altona from the word go and matching Altona’s physical presence in their defending circle with a bit of biff. Although dominating much of the possession in the second half, Altona still managed to convert on a breakaway. Hawks managed to put one away off a short corner with about 15 minutes remaining. The girls ran out the game hard, but were unsuccessful to needed to come away with a much needed win after losing to Essendon Ladies the previous week.

Hawthorn is currently sitting fourth on the ladder after round 7, with a close ladder, only goal difference separating us from 5th. This weekend will see Hawthorn take on Waverly at 2pm at their home ground. With some friendly rivalry between Hawthorn and Waverly, the girls are determined to come out on top, after the undesirable results of the previous two weeks and in order to ensure our top 4 spot remains unchanged!
