

To ensure you know who to chase regarding HV eligible players, you can use the Club Dashboard to add players to your team. You don't need to hassle your division president !

If you cannot find the player, then they have not paid their HV fee (or something went wrong with the HV/IMG system).

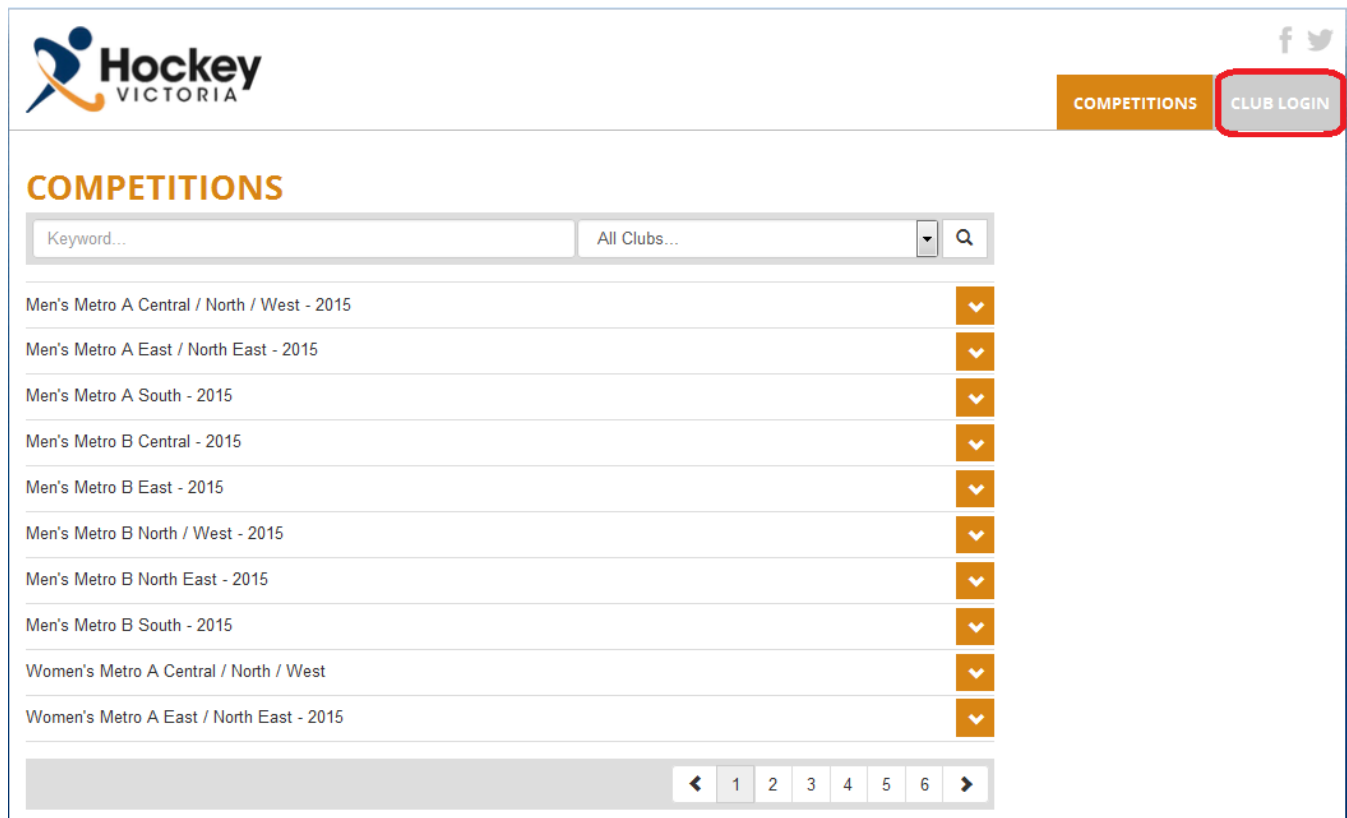

When it comes to game time, if you cannot find the player, then you cannot list them and you should not play them !

How to access Club Dashboard¹

Club dashboard is found at <https://sportsdesq.onesporttechnology.com/11/> this is the same place you get online fixtures/results/ladders

Simply login in with YOUR HV/IMG username and password that you used to register with (see below).

I highly recommend you use a PC or Mac, not a tablet/iPad etc

The screenshot shows the Hockey Victoria website interface. At the top left is the logo for Hockey Victoria. On the top right, there are social media icons for Facebook and Twitter, and two buttons: 'COMPETITIONS' and 'CLUB LOGIN'. The 'CLUB LOGIN' button is highlighted with a red rectangular box.
