## HHC President's Report AGM 2017

It has been another reasonably successful year for Hawthorn Hockey Club, both on and off the field.

The various divisional reports will discuss the on field performance in more detail, but for me the highlight was the back to back win of the Women's Premier League team, winning both last year's and now this year's Premier League Grand Final. This team is now our most successful top team since the Women's Division formed. The highlight however was the fact that we won the premierships in the 1st, 2nd and 3<sup>rd</sup> divisions of the competition. There were also premierships in the Juniors and Veterans divisions.

Off the field we remain financially responsible and in a good position. This is in no small part to our now long term treasurer, Jeremy Brown-Greaves.

My highlight off the field was the presentation night in October at the Royal South Yarra Tennis Club. This was a happy and entertaining night, had 2 marvellous hosts, and was fully subscribed.

To try and assess whether we are addressing the needs of all members of the club, this year we ran a member survey asking for comments on the things we do well, but also the things we either do not do well, or do not do at all.

We are still in the process of assessing the results, and a major part of our work next year will be to try and address concerns of members.

In general terms however, our major aims next year will be to continue to try our utmost to make sure that the club remains an inclusive club, welcoming all, of any ability, to play hockey in a safe environment and at a reasonable cost. The most important thing for a member is to enjoy playing hockey, and if they want to improve their skills they should be able to do so.

A major issue facing us in the medium term will be the lack of adequate ground time for both training and matches, for all divisions of the club, and in particular for Juniors.

The fact of the matter is that we have 2 reasonably large clubs sharing 2 grounds. League entry criteria (LEC) now dictate that we must have particular numbers of teams of various composition. This is almost impossible when there is effectively only one ground per club.

Despite considerable work being done on this, at present there is still no prospect of a third ground at our Centre, and no viable alternative at another site for either of our clubs.

Much more work and consideration will be involved in trying to deal with this as we proceed into 2018. I think it is the most serious issue facing our club, if we want to remain a Premier League Club, and we will continue to consult widely regarding a successful outcome.

There are so many people involved in running this club that I will probably forget to thank someone, and I apologise in advance if I have left anyone out.

First of all, I want to thank all of the Hawthorn Hockey Club Committee. They don't get many thanks, and people are quick to criticise at some small problem, but I thank them all: Di and Jeremy Brown-Greaves, Kamron Ley, Richard Ingram, Andrew Rook, John Robinson, Carole Shanks, Jeremy Harris and Mike Ryan.

Hawthorn Hockey Club Inc.

Jeremy Harris and Carole Shanks in particular I commend. They have now retired from the Junior Division with a new President taking over at the end of 2017.

Kamron Ley deserves special plaudits for the way he has tirelessly worked with the Men's Division. He is retiring this year as work commitments are taking their toll. He will remain involved. He took over when the Men's Division was struggling to find a person to organise them and he has done a great job for some years.

I thank Andrew Rook, and Richard Ingram before him, for their work as secretary. Andrew worked tirelessly more recently on the junior recruitment programs.

Although I hope she is not retiring, Di Brown-Greaves also deserves a special plaudit, she has threatened to retire for a year or two now, but the Women's Division had a very successful year and this is in no small part due to Di's ability to ensure that, as much as possible, all requests and wishes are dealt with fairly and sensibly as we can. There are many competing demands and Di seems to know how to maximise the goodwill.

I want to thank our 3 HMHC Directors. The Centre is run by 3 directors from each of the two clubs. Our directors are Russell Kilroe-Smith, Richard Ingram and Chris Legge.

I would also like to thank, on behalf of the club, Linda and Grenville Dawson our canteen operators and general guardians of the Centre, Norm Walker who does the bookings, and Harry Buring, our maintenance manager, for without these 4 people, the Centre would be nowhere near as welcoming or run as well as it, for the most part, does.

Finally, I wish all club members a very happy Christmas and we look forward to the next year to be better than ever.

## MEN'S DIVISION 2017

To all the players, parents and supporters of season 2017 I would like to thank you all for what results was not the best season for the Men's division, but a year which presented many opportunities for younger players transitioning into the senior teams.

With a significant number of players departing for travel, family or a year off, this year we had 6 teams resulting in 3 finalists and several elite team representatives.

All of this wouldn't be possible without the help of those who volunteer their time to coach/manage teams, umpire, or assist in other ways to make such an enjoyable season run smoothly. For this, I would like to thank Nick Kings, Pat Moore, Ben Carless, Sam Negri, Jeremy Harris and Tony Darby for their work over the season as a coach/team manager and umpire coordinator for the Pennant and Metro divisions.

I would also like to thank Emily Hurtz for taking on, and really flourishing in her role as premier league reserves coach, and both Georgie Kilroe-Smith and Scott Crozier for their duties as team managers in Reserves and PL.

Lastly, I would like to extend a massive thank you to Jonathan Stebbings, who has provided an exemplary service to the club over the last decade, as a coach and player for the PL team and whose support and mentorship over my 4 years of men's presidency have been paramount.

My biggest praises must go to all the who help make the club such a positive environment. The vibrant and supportive culture we have cultivated at Hawthorn is our biggest asset and it made my job much easier knowing that everyone is having a good time and is well looked after by their teammates, both on and off the pitch.

Congratulations to all award winners and thanks again for a fantastic year. I look forward to seeing plenty of familiar faces again in 2018.

## HAWTHORN HOCKEY CLUB WOMEN'S DIVISION 2017

In 2017 the Women's Division had approximately 110 players and we entered 6 teams in grades from Women's Premier League to Metro A. We were very fortunate to have wonderful coaches for each team and the Committee and I are very grateful to all the coaches and team managers who gave a lot of their time to ensure that each team had the best experience possible for the year.

2017 was a very successful year for the Women's Division – 5 out of 6 teams made the finals (the WPD missed out on the four by 1 point).

We won 3 Premierships, Women's Premier League, Women's Premier League Reserves and Women's Pennant A.

This means that we were the best at the top 3 divisions in the Victorian competition for 2017.

Overseeing all the teams was Lizzie Laird who once again performed the role of Chair of Selections. There is no way that the Women's Division would be as successful as it has been or even field teams in every division each week without all the hours that Lizzie puts into this job. It should not be underestimated by anyone and it certainly isn't by me, the work and effort that Lizzie devotes to the Hawthorn Hockey Club. Thank you very much Lizzie, for all that you do.

I would also like to thank Andrew Rook – Rookie does the lion's share of all IT and administrative HV work on behalf of all divisions in the Club and puts in countless hours of work for the Club each and every week – even in the "off" season. Rookie also has assisted with WPL technical bench duties. I am extremely appreciative of all the help that Rookie gives me with the Women's Division.

My thanks also go to Kam Ley – Kam is my go to person for anything to do with the HV Rules and qualification of players for finals and I am extremely grateful that he always answers my queries with good humour.

The **Women's Metro A** team was coached by Aileen Davis who came to us from the UK for the season. Aileen is a very talented player and coach and the WMA were very lucky to have her as coach. A great group of girls put a lot into this team, it's quite difficult having a range of abilities given this is the team where those who are new to the sport play as well as some with experience. Many thanks go to Libby Moore for being a fabulous team manager for the team. The WMA finished on top of the ladder and played 2 finals rounds.

Best & Fairest:	Kate Foord
Coach's Award:	Sally Jeffree

Hawthorn Hockey Club Inc.

**Women's Pennant D** was promoted up from WPE for Season 2017 and was once again coached by Julian Lugg. CC Korn was a first time manager and I am really pleased that she put her hand up and then did a fabulous job managing. WPD finished 5<sup>th</sup> after the home and away rounds and missed the finals by only one point. A very successful season given their promotion.

Coach:	Julian Lugg
Manager:	CC Korn
Best & Fairest:	Kate Lucarelli
Coach's Award:	Lucy Kent

**Women's Pennant B** had an absolutely fabulous year coached expertly by Craig Fairbrother and managed by Courtney Fairbrother. This team was also promoted after a very successful 2016. At the end of the home and away, the WPB was fourth on the ladder with equal points as 5<sup>th</sup> but a better goal difference. In the first final, they played Southern United and defeated them 2 – 1. Unfortunately, they fell at the next hurdle. A really fabulous season.

Coach:	Craig Fairbrother
Manager:	Courtney Fairbrother
Best & Fairest:	Sophie Dall'Ava
Coach's Award:	Courtney Fairbrother

### **Women's Pennant A**

Pre season was tough this year for WPA – coach George Karas decided that there would be an extra strong focus on fitness this year for his team and it certainly paid dividends. WPA finished on top after the home and away rounds undefeated. They had a total of 73 goals scored of which Lizzie Laird got 36! They won their Grand Final 6 – 0 - what a fabulous season for the WPA. Thank you to Mish Wischer for being a fabulous team manager once again.

Coach:	George Karas
Manager:	Mish Wischer
Best & Fairest:	Julie Chong

### **Women's Premier League Reserves –**

Fun Fact: This team called Women's Pennant A from 2003 to 2012 and Women's Premier League Reserves from 2013 continuing – have one 12 Premierships out of a possible 15 and were runners up the three years they weren't premiers.

What can one say about this team – they are certainly the finals specialists of the Club. 37 players played one or more games for this team – we had the very young and the not so young play in this team and as usual we had the mid season exodus overseas to contend with but in the end, they got it together and finished 2<sup>nd</sup> on the ladder.

They lost their first final against Doncaster and it gave everyone a bit of a shock! They were just magnificent in the next final against Footscray and scored a goal (the only goal for the game) in the last 5 seconds of the game. The preliminary final against Waverley went to a shootout. Then they met Doncaster in the GF and defeated them 5 – 1 and we are all so thrilled that they are **the Premiers!**

Thank you to Sean Baker and Ben Carless who has coached this team – not an easy task this season and they did a marvellous job. Thank you also to manager, Tom Hudson. Tom has managed this team for so many years and does the most magnificent job.

Coaches:	Sean Baker and Ben Carless
Manager:	Tom Hudson
Best & Fairest:	Hannah Russell
Coach's Award:	Toni Fleming

### **Women's Premier League**

The Mighty WPL finished Minor Premiers with 17 wins, 2 draws and 1 loss. Emily Hurtz won the Lou Dobson Medal for scoring the most goals – 39 goals (including the finals). 3 girls from this team made the HV All-Stars Team, Kary Chau, Hannah Gravenall and Emily Hurtz. Jay was selected as the All Star Coach. The team played a sensational finals series and were once again Premiers (back to back).

Many thanks to Jay Stacy for coaching and Jeremy Brown-Greaves for managing this team.

## Awards and Honours

### Jo Hudson Award

This Award is presented in memory of Bec Hudson's mother and Tom Hudson's wife, Jo. Jo was a fabulous supporter of the Women's Division of the Hawthorn Hockey Club and Tom and Bec donated this award to be given to a player who contributes not only on the field but also supports the Club off the field in social events and whatever needs to be done. The Award this year goes to a person who is a leader on and off the field for the Club. She spends a lot of time organising the teams each week, liaising with all the coaches for their selections and making such that each team has enough players for each game.

**Jo Hudson Award: Lizzie Laird**

We are extremely lucky and proud to have many talented players in our club and a brief summary of some highlights for 2017 are:

### At the HV Awards night

Emily Hurtz won the Lou Dobson Medal for highest goal scorer in the WPL

Emily Hurtz won WPL Best & Fairest (joint)

Hannah Gravenall, Kary Chau and Emily Hurtz were selected into the HV All Stars Team for 2017. Jay was selected as coach of the HV All Stars Team.

Sarah Moore was awarded U16 Girls Shield Best & Fairest

## Junior Division 2017

The junior division had a solid year when participation is taken into account, but only limited success in making and winning finals; across the division, only two teams had winning seasons. Other than the U12 District Premiership, a real highlight has been the participation at the Under 10 and HookIn2Hockey age groups – with HookIn2Hockey a real standout, ensuring LEC is met for that division.

### Under 16

COMPETITION	POSITION	TEAMS IN COMP	PLAYED	WON	LOST	DRAWN	SF	SA	SD
SHIELD	6	7	12	2	9	1	7	46	-39
DISTRICT	6	9	12	3	5	4	12	21	-9
GIRLS SHIELD	8	10	14	4	8	2	42	48	-6

Unfortunately, none of the U16 teams made finals this year, but there were a couple of wins for each team during the season. With the girl's team, in particular, there were a number of lower age group kids playing up, which will hopefully reflect in their development and the strength of the girls teams in future years.

Additionally, a number of long term players reached top age and will 'graduate' to senior teams next year. As a club, we need to make sure that this pathway is clear and easy to the kids to ensure that they do not become lost to HHC.

## Under 14

COMPETITION	POSITION	TEAMS IN COMP	PLAYED	WON	LOST	DRAWN	SF	SA	SD

PENNANT	5	6	14	3	10	1	24	47	-23
DISTRICT	5	6	14	6	7	1	21	27	-6

As with U16 age group, no U14 team made finals, but each team was just outside finals – coincidentally all finishing fifth. The strategy from last year to present three levels (as opposed to an A and two B level teams) was continued, with good results. For future seasons, the rotation of players between teams will be further encouraged. In addition, we anticipate we will be able to field an U14 Girls team next year.

## Under 12

COMPETITION	POSITION	TEAMS IN COMP	PLAYED	WON	LOST	DRAWN	SF	SA	SD

PENNANT	8	11	13	3	9	1	15	48	-33
DISTRICT	1	6	15	11	1	3	42	6	36
GIRLS PENNANT	8	11	12	4	8	0	5	19	-14

As was the case in 2016, U12 age group was the most successful age group when assessing results. Two of the teams made finals, and had winning seasons. The Shield team was knocked out in the first week of finals, but this was more about the structure of the conferences than their relative competitiveness (refer Goal Difference in the table above). The U12 district team had a near perfect season, winning the premiership. Again, there was difficulty reliably fielding the U12 Girls Pennant team. Later in the season this was less problematic, as kids started playing up from the U10 age group, but early in the season competition against netball made it difficult to field a team.

## Under 10

The Under 10 age group was another success, as evidenced by the festival atmosphere every Saturday morning. The five Hawthorn teams were well attended by the kids, and managed and coached very well. This is the foundation of the junior club, and participation and skills at this level are critical.

Importantly, there are a large number of girls in this cohort, which supports the strategy of fielding girls teams at every level. A number of U10 girls played at U12 level during the year, preparing them for full field games in 2018.

Under 10 had 43 registrations.

## HookIn2Hockey

This was an outrageous success, and the club met the LEC for this division easily. Momentum has carried into the summer season, and we should see a large number of these kids become long term Hawthorn players.

The Term 4 H2H program had 69 registrations.

## Summer Hockey

Since the last AGM, there was also a successful summer 6's program run at HMHC. Hawthorn was well represented at this competition fielding teams at all age groups.

## General Comments

As noted last year, we are close to capacity in terms of ground availability. Friday night is usually fully occupied and in Saturday morning is past capacity. The impact of HV strategy for Half Field U12 district teams and Gender specific teams in U12 may further impact ground capacity.

## **HAWTHORN HOCKEY CLUB MASTERS DIVISION 2017**

In 2017 we had 8 Masters teams, the same as in 2016. 2 x Mens 35s, 4 x Mens 45s and 2 x Womens 35s.

Our teams did not threaten the top, nor the bottom of the ladder.

No premierships in 2017, but all Men's teams were competitive.

The Women's teams struggled for numbers many weeks, however the 35Bs played nearly all games, despite not having a full team for most matches.

We look forward to seeing plenty of familiar faces over summer and then again in 2018.

## **HMHC REPRESENTATIVE'S REPORT 2017**

The role of the Hawthorn-Malvern Hockey Centre management committee is to ensure the club house, grounds and surrounds are maintained.

This year the major concern was the state of H-1. Despite considerable maintenance to H-1 it is evident it is coming to the end of its life and we are looking at replacing it at the end of 2018.

H-2 suffered minor fire damage. We are monitoring the state of the ground and will repair damage when required.

New concept plans for the redevelopment of the club house have been drawn up and will be on display for discussion and comment.

Whilst we understand the need for more Saturday availability for juniors, both clubs felt the contribution by Carey could not be risked and we have renewed the lease with Carey.

Efforts are being made to find a site and funds for a third ground.

We are costing changing lights to LED and hope to make the change in 2018.

A new technical bench was completed.

A new score board was installed.

Fence heights around both grounds have been raised, funding for this project was provided by the Federal Government.
